The first [cloth pads](#) I ever used and liked were the [Charlie Banana Reusable Feminine Pads](#) that I received at the Haute Green Social Hour at BlogHer. I got to try their regular sized pads and they worked great, so I was very much interested in trying out their super pads.

After contacting them about the Green Resolutions Giveaway Hop, Charlie Banana kindly sent me a set of their super pads in hot pink (such a fun color). They are longer and thicker than the regular pads, but they are still extremely soft and comfortable.

They are perfume free, chlorine free and free from chemicals so I feel safe using them. And they wash very well. I think that was one of my biggest concerns with switching to cloth pads, but I haven't had any issues with staining – especially after switching to [Femme Rock](#).

One Happy Mothering reader will win a 3-pack of Charlie Banana Reusable Feminine Pads – super absorbancy. Their sets come with three pads as well as a small travel bag so you can use them discreetly even when you're on the go.

The [Green Resolutions Giveaway Hop](#) will be posted tomorrow, so don't forget to come back for your chance to win!

In the meantime, you can purchase these reusable cloth pads [here](#) – and be sure to connect with Charlie Banana on [Facebook](#) and [Twitter](#)!
