Charlie Banana (R) kicks off the summer with his debut at Diapers.com

November 15, 2011 By [admin](#)

Hong Kong (PRWEB) June 27, 2011

What father doesn't love to shop for all essential elements for changing diapers and baby in one convenient web site? Diapers.com shopping experience is better than ever with the addition of Charlie Banana? cloth diapers and accessories. Worldwide manufacturer of cloth diapers, winc Design Limited, today announced Charlie Banana? (Http: // www.charliebanana.com), the international luxury brand of modern cloth diapers and organic, organic baby products, is now available at diapers.com – the largest online baby care specialty site in the United States the United States.

? Diapers.com is launching a phenomenal way to start the summer? what? s an exciting new way to offer Charlie Banana? to our customers at a popular shopping destination as parents? Ga said? LLE Wizenberg, CEO of winc Design, Ltd.? We are very pleased with this partnership will offer our ecological and organic products through additional distribution channels.

Charlie Banana? is currently available at amazon.com, babiesrus.com, charliebanana.com target.com and national and international independent retailers. The addition of Diapers.com allows Charlie Banana? to be available in one of the world? s fastest growing e-commerce sites offering Free Shipping 1-2 days. Parents also have the opportunity to buy from beautybar.com and soap.com while using the shopping cart itself Diapers.com.

The Banana

Charlie? 2-in-1 diaper changing system Eco Hybrid is an innovative hybrid diaper that gives parents the option of using a reusable and washable padding made of micro terry insert or recently introduced disposable pulp essentially and lined with a layer of delicious [bamboo](#).

Charlie Banana? reusable products do not contain chlorine or perfume, which keep babies dry and rash free and the company strives to use organic cotton products selected.

? Charlie Banana? is becoming the brand of favorite cloth diaper around the world and the introduction of additional products to meet more parents? needs is our top priority? Wizenberg said. ? Parents have been asking for [bamboo](#) products and coatings delicious, soft biodegradable. In response, we are delighted to now offer our bamboo inserts worldwide disposable.?

addition to the two-in-1 Eco System diapering, banana Charlie? collection of products includes organic wipes, biodegradable disposable bags, purses, diaper bags, Laundry, change pads, mattress pads, training pants, baby, organic cotton underwear, swim diapers, baby warmers in organic cotton legs, reusable pads and reusable nursing pads.?

Charlie Banana? is proud to support Operation Smile Inc., a charitable organization in the world doctor who changes the lives of children suffering from cleft lips, cleft palates and other facial deformities. One percent of all bananas from Charlie? sales will be donated to Operation Smile. A surgery costs as little as \$ 240 and Charlie Banana? customers will be helping to change the life of a child forever.
