Clearly you all love Charlie Banana cloth diapers — and for good reason. Cloth diapers that can be used with reusable or disposable inserts? Super cute designs by Matthew Langille? We're in.

We had so many responses for the cloth diaper giveaway, but the winner is...

Sarah Deschatelets!

Congratulations Sarah, you'll receive a new designer cloth diaper + a reusable swim diaper too. We hope they become a favorite in your cloth diaper stash.

Thank you all for entering, and stay tuned for more giveaways!
