Cutting-edge fashion has made its way from the catwalk to the playmat with [Charlie Banana](#)'s new collection of, dare we say it, 'couture' cloth diapers featuring bold original prints by designer and illustrator Matthew Langille. Inspired by the upcoming birth of his son, who also [just made his debut last night](#), Langille created whimsical, 'cheeky' characters and vibrant symbols, and prints to bring to life his six original designs dubbed: BlackBeary, Lovey and Dovey, Handsome, Cutie, Robot Bleu/Robot Pink and Petit Coeur. Langille's collection may either be purchased as a pack of six combination diapers, or as single diapers in sizes Xsmall and One-Size. If [green diapers](#) keep getting these kinds of [fabulous makeovers](#), babies may learn to strut before they crawl.
