Who says cloth diapering has to be a drag? Check out these new fun and fashionable styles

from [Charlie Banana](#) and their newest fashion collection by Matthew Langille. They even have a swim diaper! I mean if you're gonna wear something everyday, you might as well make it fun and fashionable right? Cloth diapering has certainly come a long way but their are many styles and types of cloth diapers, it may seem overwhelming or confusing but this [Quick Guide to Cloth Diapering](#) will get you right up to speed.

Heere are some Savvy Sassy reasons why Cloth Diapering is good for you and you baby.

- The designs versatility of the many cloth diapers available today are brilliant and will suit every baby's shape and parent's needs.
- They are **so cute and will look darling on any little one's bottom.**
- They are so comfortable with their soft liners.
- Your baby will be rash-free and will sleep like an angel.
- Your baby will potty train earlier.
- They will **save you a small fortune.**
- They are easy to use and to care for.
- You will feel so proud using cloth diapers that you show off your baby's bottom every chance you get.
- You will **reduce your family's carbon footprint.**
- And, most importantly, they will make your baby healthy and happy always!

You can buy Charlie Banana Cloth Diapers Target, Babies R' Us, [Diapers.com](#) and through the [Charlie Banana website!](#)
